**Peer-reviewed book chapters (3)**

**Peer-reviewed conference articles (15)**

Olsson, J., Woxenius, J. (2011) *Location of freight consolidation centres serving the city and its surroundings,* The seventh International Conference on City Logistics - Vision, technology and policy, Mallorca, 7-9 June.

Woxenius, J., Persson, J, Davidsson P. (2007) *Measures for increasing the loading space utilisation of intermodal line train systems,* the 11th World Conference on Transport Research (WCTR), Berkeley, 24-28 June.

---

*Emerald. ISI-ranked from 2010: SSE: Management, 30/140, IF: 2.617.*

**Deliverables within EU-projects (13)**

Woxenius, J., Kania, M., Podsidiad, M. (2006) *Possibilities to transfer goods from road to rail to and from the ports of Karlskrona and Gdynia*, A report in the EU Interreg IIIb project Baltic Gateway, Meddelande 122, Division of Logistics and Transportation, Chalmers University of Technology, Gothenburg. 65 pages + 14 in appendices.

Henstra, D., Woxenius, J. (1999) *Intermodal Transport in Europe*, Report within the EU-project TRILOG Europe, TNO Inro, Delft. Also published as Meddelande 112, Department of Transportation and Logistics, Chalmers University of Technology, Gothenburg. 68 pages.

**Other essays and reports (12)**

Woxenius, J., Bäckström, S. (2002) Idépromemoria för hållbar tillväxt i innovationssystemet för godstransport och logistik (Idea-memorandum for sustainable growth in the innovation system for transport and logistics), report for VINNOVA. Also published as Meddelande 114, Department of Transportation and Logistics, Chalmers University of Technology, Gothenburg. In Swedish. 74 pages.

Woxenius, J. (1997) Inventory of Transshipment Technologies in Intermodal Transport, Study for the International Road Transport Union (IRU), Geneva.

Woxenius, J. (1993) Enhetslaster – teknik, ekonomi och historia (Unit loads – Technology, Economy and History), Meddelande 58, Department of Transportation and Logistics, Chalmers University of Technology, Gothenburg. In Swedish. 88 pages.

Other articles for journals, books and conferences (36)

Publications on pedagogic issues (3)

Popular science publications and interviews (19)
Woxenius, J. (2010) Vi har inte rätt att läta bli att gör spring (We cannot afford to do nothing), interview in supplement about KNEG (an initiative for Carbon dioxide neutral freight transport on road), Dagens Industri, 6 May, pp. 8-10.
Winroth, C.B. (2008) Basindustrin beroende av kostnadseffektiva transporter (The basic industry depends on cost-efficient transport), Framtidens basindustri (Future basic industry), interview in supplement to Dagens industri, October.

Popular science presentations and chaired conference sessions (selection, last years)
2011  Collaboration between universities, industry and society, International keynote speech, African International Business and Management Conference (AIBUMA) 2011, Nairobi, Kenya, 26 August. Appr. 400 in the audi-
Forskningsområdet logistik och transport discussion between Johan Woxenius, Anna Dubois, Chalmers and Bengt Wennerberg, Infrastructure and logistics, BRG, Affärsdriven Miljöutveckling (Business-driven environment development), Business Region Göteborg, 8 February. Appr. 130 in the audience.

2010
Supply of transport services, Chalmers'/STI's Transport conference, Gothenburg, 16 December. Appr. 150 in the audience.

Nå framgång i EU:s ramprogram! (Be successful in EU’s framework programmes). Gothenburg, 24 November. Appr. 50 in the audience.

Flexibility vs. specialisation in European short sea shipping. Lighthouse Cargo Ship theme day, Gothenburg, 18 November. Appr. 75 in the audience.

Bättre logistik för sjöfartens hållbarhet och konkurrenskraft (Better logistics for sustainable and competitive shipping). DB Schenker’s seminar on shipping, the Gothenburg Prize ceremony, Gothenburg, 17 November. Appr. 150 in the audience.

Sustainable transport systems, Logistics & Transport, Gothenburg 5 May, Session: Sustainable Future of Transport – how do we approach the challenges after COP15? Appr. 200 in the audience.

Kompetensförsörjning till logistikbranschen (Competence supply to the logistics sector), Logistics & Transport, Gothenburg 4 May. In Swedish. Appr. 150 in the audience.

Hinterland transport by rail – comparing the conditions for maritime containers and semi-trailers, SKEMA Workshop, Copenhagen, 18 February. Appr. 50 in the audience.

Logistik och hållbarhet (Logistics and sustainability), CSR conference, Hållbara leverantörskedjor (Sustainable supply chains), Gothenburg, 3 February. In Swedish. Appr. 200 in the audience.

2009

The need for innovation - standardisation vs. Specialisation, Transport Conference in Trelleborg, 10 November.

Sjöfartens klimatpåverkan (Climate change contributions from shipping), GMV’s and Ekocentrum’s seminar series Environmental perspectives, Gothenburg, 14 October.

Joint measures to reduce carbon emissions, 16th ITS World Congress, Moderator, Stockholm, 23 September.

Logistikforskning - en storsatsning i samarbete mellan Handelshögskolan, Chalmers, näringslivet och offentlig sektor (Logistics research – a significant cooperation scheme between University of Gothenburg, Chalmers, industry and the public sector), The donors day, Gothenburg, 21 September.

Hållbar logistik (Sustainable logistics). Seminar about sustainable transport systems with parliament, regional and municipality politicians, Gothenburg, 24 August.

Logistik och infrastruktur (Logistics and infrastructure), Meeting in the network HUR 2050, Gothenburg, 3 September.

Hållbar logistik (Sustainable logistics), Ambassadörsträff, Lidköping, 7 August.

Bättre logistik, Lighthouse and SKEMA (Better logistics, Lighthouse and SKEMA, Breakfast meeting at SSPA, Gothenburg, 29 May.

Sjöfart & entreprenörskap - myter & fakta (Shipping and spirit of enterprise – myths and facts), Shipping entrepreneur day, Gothenburg, 4 May.

Hållbar logistik (Sustainable logistics), Presentation at the competence network Logistik i Väst, Ellos/Redcats Nordic, Viared, 27 March.

Bättre logistik, - en underskattad miljöåtgärd (Better logistics – an underestimated sustainability action), Sjöfartsforum och SSPAs seminar Shipping sustainability contributions, Gothenburg, 20 March.

Transporter, miljö och klimathot (Transport, environment and climate threats), Logistik och samhällsutveckling – ur ett regionalt och kommunalt perspektiv, Jönköping, 18-19 March.

Energibesparingar genom logistikutveckling (Energy savings through logistics development), presentation vid Energimyndigheten, Stockholm, 11-12 March.

The dividends from maritime and port training. SKEMA Dublin Workshop, 22 January.
2008 Short Sea Shipping as the Motorways of the Sea, presentation and moderator, Transport Conference in Port of Trelleborg, 12 November 2008.

Intermodal line trains, Logistics & Transport, Gothenburg 21 May 2008

Moderator, Maritime transport in sustainable logistics chains, Logistik & Transport, Gothenburg 21 May 2008

Industry involvement in logistics education, Logistikaseminar, Pärnu, Estonia, 20 April + leadership of a workshop 21 April.

Hinterland transport of containers – seaports, dryports and shippers in co-operation, First Intermodal Innovation Day Conference on “Promoting Intermodal Freight Transport in Europe, Innovations and Best Practice examples”, Antwerp, 16 March.

Logistik som möjligheter för handeln mellan Asien och Scandinavia (Logistics prospects for trade between Asia and Scandinavia), Seminar for the Transport Policy unit of the Ministry of Industry, Employment and Communications, Gothenburg, 6 December.

Intermodalitet – trafikslag i samverkan (Intermodality – traffic modes in cooperation), Seminar Swedish Railways 150 years, Swedish Rail Administration, Malmö, 17 October.

Session leader for freight transport at the 18th NOFOMA Conference, Oslo, 8-9 June.

Handel med lågkostnadsländer (Trade with low-cost countries), Ports of Stockholm’s and Port of Turku’s seminar Eastern Landbridge, the Finnish Embassy, Stockholm, 7 mars.

Intermodala lastenheter och deras utveckling (Development of intermodal loading units), Transportforum 2006, Linköping, 13 January. With Frederik Hallbjörner.

2005 Järnväg och sjöfart i samarbete (Rail and sea in cooperation) - the Swedish Shareholders’ Association, Port of Gothenburg, 5 September.

Koldioxid och logistik (Carbon dioxide and logistics), VTI’s Transport forum, Linköping, 13 January.

Session leader for intermodal transport, VTI’s Transport forum, Linköping, 12 January.

2004 Transport, teknik och miljö (Transport, technology and environment), Seminar with Stena Metall, 20 April.

2003 Light-combi - challenging road transport on small flows over short distances, Presentation at the Intermodal Expo 2003, Ft. Lauderdale, USA, 17 November.

2003 Terminaler och intermodala transporter (Terminals and intermodal transport), Presentation for “Järnvägsutredningen” (the Swedish Railway Investigation), Ängelholm, 10 September and for Godstransportdelegationen (the Swedish Freight Transport Delegation), Stockholm, 21 October.

2003 Session leader for intermodal transport, Nordic Rail 2003, Jönköping, 8 October.

2003 Ny kombiterminal i Jönköping/Torsvik (New intermodal terminal in Jönköping), Regional development seminar, Jönköping, 9 October.
